www.artxinyu.com

Master portrait artist Xin Yu Zheng was recently commissioned to paint the official portrait of former Alberta Premier Ralph Klein that hangs in the Alberta Legislature. He has been honored as one of China's top 100 professional artists and has received numerous gold medal awards throughout his career. Mr. Zheng has exhibited internationally and also completed murals for major public buildings in China. He came to Edmonton, Alberta in 1998 and has since then continued to exhibit internationally, paint portraits and teach.

Mr. Zheng developed his own teaching style and method through many years of teaching experience as a professor at Liaoning Art Academy in R China. Realistic theories and techniques for basic training in fine art are nearly forgotten in the west. He believes a firm foundation of classic ideologies and realistic techniques are important for artists to get nourishment for their future artistic creations.

His art class starts from basic sketching techniques to advanced oil, watercolor, acrylic and Chinese painting. This can be modified to suit each individual student's goals.
