Winsor & Newton Designers Gouache

Winsor & Newton Designers Gouache is celebrated for its exceptional brilliance, opacity, and strong tinting power. This finely ground, water-based paint is ideal for illustrations created with pen, brush, or airbrush. All Designers Gouache colors seamlessly blend with Winsor & Newton Artists' and Cotman watercolors. For fine art painting, it is best to use watercolor papers. However, for design and illustration projects intended for electronic scanning and reproduction, illustration board or Hot Press watercolor paper is recommended to achieve a flat finish that reproduces beautifully. 11WIN0605... **Save 40% Off Retail**

Origin Acrylic is a

Eco-designed high-viscosity acrylic available in 48 colours.

A high-quality formula with a matte finish and a rich, dense, nervous texture that allows artists to retain the marks of their brushes and knives. Malleable for thick work and impastos, it also lends itself easily to brush application.

High pigment concentration for intense colour and excellent lightfastness. A single-pigment colour that guarantees a particularly luminous, deep shade that retains its brilliance and purity when mixed.

Eco-designed range formulated from 100% recycled binder, reducing the carbon footprint by 80% compared to a non-recycled binder. Made in France from 96% European raw materials. Paint packaged in an eco-tube made from FSC®-certified PE paper, reducing the amount of plastic used by 31%*. *compared to a 60ml plastic tube.

Holbein Acrylic Ink

Holbein Acrylic Ink (HAI) maintains the same pigment strength and intensity as found in Holbein Heavy Body Acrylic and Holbein Fluid Acrylic, but with much lower viscosity.

HAI does not shift in color tone from wet to dried color and will not clog a .01mm aperture. HAI will therefore flow seamlessly through any airbrush, technical pen or refillable marker. HAI can be used directly for bold, brilliant color with a

brush, airbrush, dip pen, technical pen or refillable marker. HAI can also be used to achieve the subtle characteristics, washes and tones of watercolor painting.

Jacquard Opaque Colors Screen Printing Kit

This kit contains a collection of supplies for screen printing on darker backgrounds. It features Jacquard Professional Screen Inks, which have longer open time in the screen in comparison to other water-based products making them ideal for small production runs. They work well on most porous and non-porous surfaces such as fabric, vinyl, metal, leather, paper, wood, plastic, canvas and more. The kit includes a 10" x 14" pre-stretched silk screen with lacquered wood frame, a 9" wood-handled squeegee, four 4 oz. jars of Jacquard Professional Screen Inks in opaque blue, opaque red, opaque yellow, super opaque white, 4 oz. photo emulsion, .33g diazo sensitizer, three acetate sheets, a stir stick and instruction booklet in English, Spanish and French. Fabrics must be heat set for permanence, washability and wash-fastness. [19JAS19001](#) Reg. \$160.49 | **Sale 104.95**

Canson Mi-Teintes Velvet

The benefits of Mi-Teintes® Velvet paper

Mi-Teintes® Velvet paper offers many benefits for pastel artists. An ideal paper for pastels, it ensures a smooth application and allows unlimited over-layering of colours, giving life to vivid, exquisite works. The paper quality eliminates the need for a fixative, making it easier for artists to work and preserving the purity and luminosity of the colours applied.

Exceptional pigment adhesion for brilliant, long-lasting results, allowing works to retain their intensity over time. The use of wet techniques opens up new creative possibilities, inviting artists to explore without constraints. A choice of 14 colours, offering a variety of backgrounds to suit every artist's vision.....
