OILS

Williamsburg Oil Paint

Originating from the Williamsburg neighborhood of Brooklyn, Williamsburg now makes over one hundred seventy artist quality oil colors in New Berlin, NY. Each color is milled in small batches to bring out the best qualities of the pigment used.

Williamsburg offers a high quality artist oil with a line up of over one hundred forty specially selected oil colors of which most are considered to have excellent lightfastness.

Paints are not homogeneous, as some colors require a very fine grind that results in a rich, smooth paint, while others are best allowed to retain more texture and provide a little more resistance and less gloss.
